

# Character Creation Worksheet

Welcome to **Yours, Etcetera!** This worksheet is to help you make decisions about your character and highlights some of the questions we will be asking you to fill out during character creation. Use this document as much or as little as is helpful for you.

If you have any questions, please reach out to the GM team at [hello@letterinklarp.com](mailto:hello@letterinklarp.com)

1. What is your character's name?
2. How old is your character? What is their birthday?
3. Does your character have any family members? What is their relationship like?
4. Does your character have a Noble Title or are they in line to inherit one?
5. What is your character's personality?
6. What is your character's societal standing?
7. What is your character's educational experience?
8. What are your character's general interests and hobbies?
9. What goals does your character have? (Example: Do they seek a military position and renown in battle? Do they want to make their mother proud?)
10. What facets (virtues & vices) do you select for your character? What standing do you want to select for your character's family?
11. What are 2-3 shadows (life-affecting secrets) about your character?

*Note: full details on the facets, shadows & interests can be found [HERE](#).*

12. What is your character's religious beliefs, if any? Is it different publicly versus privately?
13. What level would you like to opt into involvement of GMs in your character's backstory or plot? (How much do you want us to play with your Character history?)
14. Are there any other existing characters your character has a connection to?
15. What happened at your character's Debut if they had one? Who presented them? What did they wear? Were there any notable mishaps or other occurrences? Were they presented at this most recent Season? If they were not presented, did they attend as a spectator or were they elsewhere?
